1971'den beri Hikayemiz

Müjdeli bir haberimiz var sizlere, Şirketimiz ÖZEL, 51 yaşında bir dede oldu. Daha ak sakallı tonton bir dede değiliz belki ama hem dinamik hem de bir dede hassasiyetine sahibiz artık. Güzel bir şey dede olmak. Geriye dönüp baktığımızda zorlu ve mutlu anlarımız bir film şeridi gibi geçerken sıcak bir gülümseme kaplıyor içimizi...

Doğduğumuzda 80 m²'lik atölyemiz vardı, bir bebek odası gibi... Şimdi ise 21.000 m²'ye ancak sığabiliyoruz. İlk zamanlar aynı anne sütü gibi tek ürünümüzü günlük 100kg. üretebildiğimiz akide sekerimiz vardı. Şimdi 50'den fazla ürün yelpazemizle günlük 60 ton üretime yükselen bir kapasiteye sahibiz.

Çocukken sadece mahalle arkadaşlarımız vardı. Artık 63 ülkede bizi tanıyan, seven ve güvenen dostlarımız var. İlk makinemizi aldığımızda yepyeni bisiklet almış bir çocuğun heyecanı sardı benliğimizi. O heyecan artarak devam ediyor... Şimdi son teknoloji makineler "Ol-mazsa olmaz!" diyoruz. Bir zamanlar bizi memnun etmek kolaydı. Şimdi ise 130 HACCP, BADAT, 2BR2 ve HALAL gibi standartlarımız huzurla gülümsetiyor bizleri. Belki hatalarımız oldu gençlik yıllarımızda, çok şükür ki mazimizde en ufak bir kara lekemiz yok.

Şimdi ÖZEL Dede, dedeleri daha iyi anlamaya başlıyor. Bir çocuğu sevindirmek kolaydır. Ancak bizim hedefimiz Dedelerimiz.

Bir dede şekerleme verirken torununa gözlerindeki mutluluğu görmeli ve verdiği şekerlemeleri en az kendisi kadar hassas dedelerin ellerinden çıktığını bilmelidir...

Sevgili Dedelerimiz;

Dinamik ve hassas ÖZEL Dede'nin önderliğinde 22 Şubat'ı "Dedeler Günü" ilan ediyor ve tüm dedelerimizi saygı ve sevgi ile selamlıyoruz...
